1. Introduction

This Loan Policy Manual sets out the eligibility criteria, loan terms, documentation requirements and special conditions applicable to the retail and business loan products offered by Indus Pride Bank Ltd. ("the Bank"). It is intended to serve as a single reference point for customers and front-line staff when assessing loan applications.

This document covers six loan categories: Home Loan, Personal Loan, Educational Loan, Vehicle Loan, Loan Against Jewellery (Gold Loan), and Business/MSME Loan. A common baseline eligibility framework applies across products, with product-specific variations described in each section.

Indus Pride Bank Ltd. is a fictional institution created for illustrative purposes. All interest rates, fees, loan amounts and other figures in this document are sample values and do not represent an actual financial product, offer, or regulatory filing.

2. General Eligibility Framework

The following baseline criteria apply across all loan products covered by this manual, unless a specific product section explicitly states a variation.

Minimum Credit Bureau Score	700 (CIBIL Score or equivalent bureau score from Experian/Equifax/CRIF)
